Wesley Chapel United Methodist Church, 3307 S.W. 15th Ave., Fort Lauderdale, is blessed to announce the opening of its Crisis Pregnancy Center. Pregnancy tests, counseling, supplies and support are now offered to women at no charge.

Wesley Chapel received a \$20,000 grant from the Florida Department of Health's Pregnancy Support Services Program in February. The pregnancy center director is Yoi Reyes, a lay leader at Wesley Chapel and an experienced and compassionate counselor. Appointments are available by calling 954-759-7223.

Churches or volunteers interested in partnering with the center in helping provide hands-on support, food and/or baby or maternity clothes and supplies for families and mothers in need also may call Ms. Reyes at that number.
